PARKING INSTRUCTIONS

Parking: Matthews Street Garage

If you have already purchased and received your parking permit, you may park in any permitted areas for the event.

If you have not already purchased and received your parking permit, you are permitted to park on floors 4-6 of the Matthews Street Garage—see image below. However, you **MUST register your vehicle** before the event to be in compliance with parking services.

From the Matthew Street Parking Garage, you will head to the third floor of the LBJ Student Center to check-in for the event. If you follow the red arrow on the map below, you will be able to access the 3rd floor entrance after climbing a few flights of outdoor stairs. If you follow the blue arrow, you will be able to access the same entrance while avoiding the stairs. The LBJ Student Center has it's own parking garage but you must pay to park in it. The Graduate College will not be able to reimburse you if you choose to pay to park in the LBJ Garage.

It is vital you follow all parking rules and regulations. The Graduate College is not responsible for parking tickets and will not reimburse any fees incurred.

If you require accommodations due to a disability in order to participate, please contact (512-245-3451) or email ods@txstate.edu at least 72 hours in advance of the event
